WATERFRONT SOPHISTICATION ARRIVES IN AUCKLAND

Settled where the city meets the sails, with windows to the Waitematā InterContinental Auckland's arrival in January 2024, will welcome a seamless and elegant base from which to explore the city with open hearts and minds. Auckland is a destination of mesmerising contrasts. Here, unspoilt wilderness endures alongside progression, while the atmosphere is energising but relaxed. It is our privilege to share Auckland's diverse and layered stories through art, deep local insights and enriching experiences. From ancient Maori roots and its cultural melting pot, to produce-driven dining and Commercial Bay's parade of retail experiences, InterContinental Auckland shares not only where to be, but how to be.
